MILLER'S EASY RENTAL PROGRAM 2024-2025

- **FOR SCHOOL DELIVERY (WHERE APPLICABLE):** If you would like the instrument delivered to your child's school, please call Millers to see if you are in a delivery area. If so, fill out and sign the reverse side of this contract and send it to our address with payment. You may also email your form and payment to saxshopman@gmail.com. We will deliver the instrument of your choice to your child's school at a time prearranged with the Band Director (usually early September). Please have your delivery order placed by mid August 2024. Incomplete forms will not be honored. Call if you have questions. Rentals and books have tax included.
- **FOR STORE PICKUP:** Many people prefer to pick up their instrument at our store. Fill out the rental information sheet and bring to the store along with student and parental identification. We will supply the instrument and accessories you need at that time. The best time to come in is towards the end of August or first weeks of September. This is the plan we suggest. Rentals and books have tax included/

RENTAL PLAN

- **SCHOOL YEAR (10 MONTHS):** *This is an initial 10 month plan.* You pay the 10 month rental fee upfront and have the use of the instrument for the entire school year. At the end of the school year you have the option of renting the instrument monthly, purchasing the instrument, or returning the instrument. Renting monthly after the initial rental period expires keeps your payments working towards an eventual purchase. Make sure we have your credit card on file for payment. Repairs are covered in the rental agreement so long as it does not appear that there was an intent to severely damage an instrument. Miller's is a New Jersey State Certified Repair Center. Instrument repairs are done quickly and with as little "down time" as possible. At Millers you are guaranteed to receive a name brand instrument. Conn-Selmer, King, Bach, Ludwig, William & Lewis and Jupiter are just a few of the names you will find at Millers Saxophone Shop.

PAYMENT

- Miller's accepts most major credit cards, including AMEX, ApplePay and personal checks. It is important that a parent sign the front of the rental contract after filling it out. (Please print neatly) Copy it and send it to us in U.S. Mail.
- Complete the reverse side of this contract, and remember to include any charges for accessories and 6.625% NJ Sales Tax.
